Care instruction

To maintain the color and appearance of the fabric, it should be vacuum cleaned regularly with a soft nozzle.

Stain Removal:

Use colorless towel or a washcloth to absorb as much as possible of still-moist stain. Dried stains should be vacuumed. Wet the stain sparingly with a white pure cotton cloth, warm water and possibly a little pH-neutral cleaner. Dab the area with a dry cloth or colorless paper towel to absorb the moisture and stain. Repeat this process until the stain is gone. On the final repetition, use only clean water with no detergent added. Finish by dabbing up moisture with a dry cloth or paper towel.

About Abstracta

At Abstracta, we have been working to create better soundscapes since 1972 – which makes us acoustics pioneers. Today, we offer a wide variety of solutions for different types of environments and requirements – from thoughtfully designed sound-absorbent screens and surfaces to innovative furniture with integrated acoustic characteristics. And in close collaboration with some of the world's most influential contemporary designers, we are constantly exploring new ways to create better soundscapes.

We manufacture our furniture in Småland, Sweden, and our customers are located throughout the world. Abstracta is part of Lammhults Design Group.

Please note that the colors depicted in the PDF may appear different from the actual fabric shades. We highly recommend requesting fabric samples before placing your order to ensure accurate color representation.
